## YOUR SUPPORT IS NEEDED!

**SAC is in need of your support now more than ever!** Our Shiawassee Mobile ART for Seniors Program (**SMARTS**), which is in partnership since 2018 with the Shiawassee Council on Aging (SCOA), is in jeopardy. Unfortunately, due to lack of funds, the Michigan Arts & Culture Council did not award grant funding for the Program this year.

**The SMARTS Program provides art classes to Shiawassee County seniors, 60 years and older, whose lives are positively impacted.** Seniors are a large and growing segment of our community's population that mainly, due to age and lack of funds, do not have easy access to art and cultural activities.

SAC offers ten multi-media classes a month, serving 1,440 seniors a year at four locations in Shiawassee County - the Owosso, Durand & Morrice Senior Centers and the Shiawassee Arts Center. **The Program provides experiences for seniors to express themselves, grow, and further their well-being and happiness.** Seniors have the opportunity to engage in fun, educational, skill-building art activities that positively impact their quality of life (general health and social involvement). Creative fine art activities include acrylic, watercolor & pastel painting, pencil & charcoal drawing, fused glass and clay. Based on the evaluations of 250 participating seniors, **SMARTS** has become a valued Program in Shiawassee County helping to reduce senior isolation, alleviating boredom and even helping with feelings of depression.

With your kind gift, which is tax-deductible, SAC would be able to continue to offer this worthwhile Program that enriches the lives of hundreds of Shiawassee County senior citizens. **Thank you very much for your consideration. Your support is greatly appreciated!**
